Dear Stakeholder:

RECEIVED NOV 19 2018

**SUBJECT: APPROVED CONTINGENCY PLAN INSPECTION:
DOG RIVER-MATAWIN FOREST 2019-2021 CONTINGENCY PLAN**

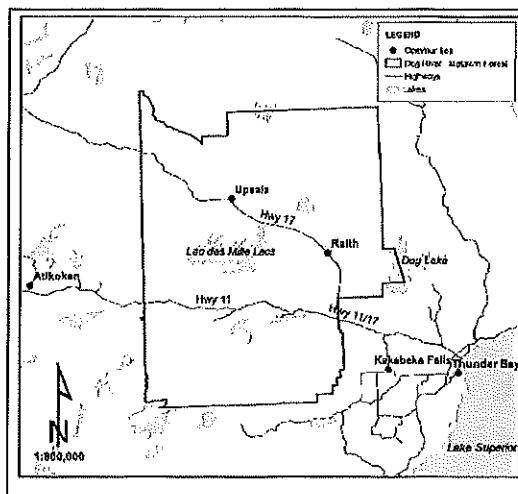

The Ontario **Ministry of Natural Resources and Forestry (MNR)**, **Resolute FP Canada Inc.** and the **Dog River-Matawin Citizens' Advisory Committee (CAC)** advises you that the 2019-2021 Contingency Plan (CP) for the **Dog River-Matawin Forest** has been approved by the MNR Regional Director and is available for inspection.

Why is a Contingency Plan Required?

The approved 2009-2019 Dog River-Matawin Forest Management Plan (FMP) will expire March 31, 2019. Delays have been experienced in planning the next ten-year FMP; as such, a CP is required. A two-year CP will enable the implementation of forest operations until the ten-year 2021-2031 FMP is approved.

CP Inspection - Final Opportunity

The approved CP is available for inspection by appointment during normal office hours for 15 days November 6 – November 20, 2018 at the Resolute FP Canada Inc. office and the MNR Thunder Bay District office at the locations noted below and on the Ontario Government website at www.ontario.ca/forestplans.

Interested and affected persons, organizations, and First Nation and Métis communities can arrange an appointment at the Thunder Bay District MNR office to discuss the CP.

SUBJECT: Review of Proposed Whitefeather Forest 2019-2022 Contingency Plan

Dear Sir/Madame:

The Ontario Ministry of Natural Resources and Forestry (MNRF), Whitefeather Forest Community Resource Management Authority (WFCRMA), and the Red Lake District Resource Management Advisory Committee (LCC) invite you to review and comment on the 2019 – 2022 Draft Contingency Plan for the Whitefeather Forest.

Why is a Contingency Plan Required?

The approved planning of the first five years of operations for the 2012-2022 Whitefeather Forest Management Plan (FMP) expired March 31, 2017. A three year Contingency Plan is required to conduct forest operations while a new 10 year 2022-2032 FMP is developed and approved.

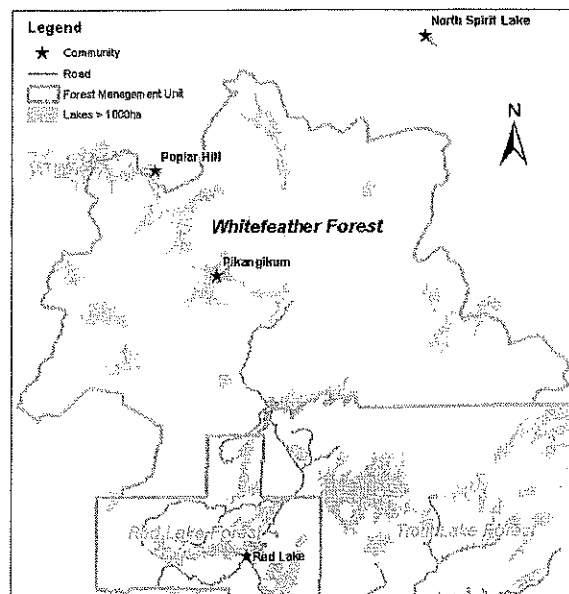

The purpose of this notice is to:

- Invite you to review and comment on the draft Contingency Plan at the locations and times listed below, and
- Request contributions to the background information to be used in planning.

Comments will be considered in revisions to the draft Contingency Plan.

How to Get Involved

The Draft Contingency Plan will be available on the Ontario government website at www.ontario.ca/forestplans and at the Red Lake District MNRF and WFCRMA offices at the locations noted below, by appointment during normal office hours for a period of 30 days from **December 12, 2018 – January 11, 2019**. Comments on the draft Contingency Plan for the Whitefeather Forest must be received by Corinne Arthur, Management Forester, at the Red Lake District MNRF Office, by **January 11, 2019**.

The following information will be available:

- Draft Contingency Plan, including supplementary documentation;
- MNRF's preliminary list of required alterations.

To assist you in the review and to provide the opportunity to ask questions, an Information Centre will be held at the following location from 2:00 pm – 7:00 pm on the following day:

December 12th, 2018, at the Super 8 by Wyndham (11 Hughes Crescent, Red Lake, ON P0V 2M0)

Meetings with representatives of the planning team and the LCC can be requested at any time during the planning process. Reasonable opportunities to meet planning team members during non-business hours will be provided upon request. If you require more information or wish to discuss your interests with a planning team member, please contact one of the individuals listed below:

Subject: Trout Lake 2021 -2031 Forest Management Plan: Invitation to Participate

Dear Sir/Madame,

The Ontario **Ministry of Natural Resources and Forestry (MNRF)**, **Domtar Inc.** and the **Local Citizens' Committee (LCC)** invite you to participate in the development of the 2021 – 2031 Forest Management Plan (FMP) for the **Trout Lake Forest**.

The Planning Process

The FMP will take approximately three years to complete. During this time, five formal opportunities for public consultation and First Nation and Métis community involvement and consultation are provided. This first stage notice is to advise you that preparation of the plan has started and to request:

- Your contribution to background information, particularly information relating to values and important ecological features that could be affected by forest management activities, and
- Your view of the desired forest condition and desired benefits which can be obtained from the forest.

How to Get Involved

Please provide any comments or information to the MNRF office listed below. If you wish to meet and discuss your interests and concerns with the planning team, plan author and/or the LCC, please contact the individuals identified below.

Background information and sources of direction that are available for you to view include the following:

- Description of the management responsibilities on the forest and of the forest industry that is supplied from the forest;
- Values maps showing natural resource features, land uses and values;
- Description of the historic forest condition;
- A map of existing roads and their use management strategies;
- Management unit annual reports, audit reports, and provincial reports pertaining to forest management;
- Sources of direction for the forest such as past plans, land use plans, any relevant policy direction under the *Endangered Species Act, 2007*, MNRF's provincial goals, objectives and policies for natural resource management.

The background information and further information about the forest management planning process will be available for the duration of plan preparation.

The general information regarding the FMP process, as well as the information described in this notice, will be available at the Domtar Inc. office and at the MNRF Red Lake District Office at the locations shown below during normal office hours. Meetings with representatives of the planning team and the LCC can be requested at any time during the planning process. Reasonable opportunities to meet planning team members during non-business hours will be provided upon request. Anytime during the planning process you may make a written request to seek resolution of issues with the MNRF District Manager or the Regional Director using a process described in the 2017 *Forest Management Planning Manual (Part A, Section 2.4.1)*.

Stay Involved

There will be four more formal opportunities for you to be involved. These stages are listed and tentatively scheduled as follows:

Stage Two - Review of the Proposed Long-Term Management Direction
June -July, 2019

Stage Three - Information Centre: Review of Proposed Operations
January - March, 2020

**Stage Four - Information Centre: Review of Draft Forest Management Plan
August -October, 2020**

**Stage Five - Inspection of MNRF-Approved Forest Management Plan
January -February, 2021**

If you would like to be added to a mailing list to be notified of public involvement opportunities, please contact Corinne Arthur at (807) 727-1337.
